WHAT WE DO

- Process Diagnostic & Design — Find where work gets stuck, design the fix, hand off the roadmap
- Delivery System Coaching — Build sustainable delivery habits inside your real team cadences
- Program & Portfolio Coaching — Align delivery across multiple teams without adding layers
- Executive Advisory — Strategic advisory translating delivery data into leadership decisions

HOW ENGAGEMENTS WORK

1. **Discovery Call** — 30-min diagnostic conversation. Free. No pitch.
2. **Diagnostic** — Map workflows, identify bottlenecks, baseline flow metrics.
3. **Engagement** — Hands-on coaching, process redesign, dashboards. Scoped to your situation.
4. **Handoff** — Documented playbook your team keeps. Metrics show the before/after.
